

Civilian Peacebuilding Essentials

Civilian peacebuilding plays a crucial role in efforts to transform violent conflict, promote peace, rebuild war-torn societies and prevent the recurrence of violence. This postgraduate course provides a holistic understanding of civilian peacebuilding. It analyzes theories, concepts, debates, policies and practices in:

- Peacebuilding & statebuilding
- Gender in conflict & peacebuilding
- Peacebuilding methodologies
- Peace mediation
- Dealing with the past & transitional justice
- Business, conflict & human rights

Leading international scholars and experienced practitioners facilitate this program.

Leitung

Ursina Bentele & Franziska Sigrist

Ziel

- Reflect critically on peacebuilding practices
- Link theoretical and conceptual inputs with your work activities
- Acquire peacebuilding skills and tools
- Benefit from a wide network of peacebuilding professionals

Course methodologies include expert inputs, peer exchange, case studies, skills training and self-study.

Inhalt

The course consists of five on-site modules and can be taken over one or two years (22 course days). On-site classes take place once a month (Friday and Saturday), the two 3-day trainings take place from Wednesday to Friday at swisspeace in Basel, Switzerland.

Course methodologies include expert inputs, peer exchange, case studies, exercises, skills training and self-study.
